

Ryan Adams-I wish you would (Capo 5)

C

It's 2 am, in your car
Windows down, you pass my street, the memories start
You say it's in the past, you drive straight ahead
You're thinking that I hate you now 'cause you still don't know what
I never said

C

I wish you would come back

Wish I never hung up the phone like I did

Am

I wish you knew that I'll never forget you as long as I live and I

C/G

Wish you were right here, right now, it's all good, I wish you would

C

It's 2 am, in my room

Am

Headlights pass the window pane, and I think of you

C

We're a crooked love in a straight line down

Am

F

Makes you want to run and hide then it makes you turn right back
around

I wish you would come back

Wish I never hung up the phone like I did

I wish you knew that I'll never forget you as long as I live and I

Wish you were right here, right now, it's all good, I wish you would

I wish we could go back

And remember what we were fighting for

I wish you knew that I miss you too much to be mad anymore and I

Wish you were right here, right now, it's all good, I wish you would

You always knew how to push my buttons

You give me everything and nothing

This mad love makes you come running

To stand back where you stood

I wish you would, I wish you would

2am here we are

See your face, hear my voice in the dark

We're a crooked love in a straight line down

Makes you wanna run, makes you wanna hide

Makes you wanna turn right back around
