

Madness-Lovestruck

/Em /Em /D
Staggering home, the headlights throw a shadow up and upon
/D /C /C /Em
friends and loved-ones that have done no wrong, but no longer mean anything to me

/Em /Em /D
Oh, am I mumbling on into a crystal glass that echoes a song?
/D /C /C /Em
the entisement invites you along a path of exterior colour

/G /G
But come the morning, shivering and contorting
/A /A G
to border on the brink, for just another sink
/C /C /G
Oh, take me down, for one more round

/G /G
Oh, involve me in libation, stick a rock in my foundation
/A /A G
I pick all my relations, put me on probation
/C /C /D
I'll take you down for one last round

/A /A /A
Lovestruck, I've fallen for a lamppost, given her my utmost
/F#
spilling out my deepest feelings
/A /E /A
Lovestruck, I've fallen for a lamppost, given her my utmost
/F#
spilling out my deepest feelings
/F A /F A
now all I want to do, is snuggle up to you
/F G /A
a night-cap in the early morning dew

Look! what have I become? distancing myself so far and from
but gazing out, I waved the night boat on for now its heaven in deepest Tottenham

oh, what have I done to deserve this fate? It's all going wrong
even the cab fare has been and gone now I'm lagging in deepest Tottenham

Bridge, Chorus x2
