

## Everly Brothers-Bye Bye Love

**/C        /G    /C        /G        /C        /G**  
Bye bye love Bye bye happiness Hello loneliness

**/G        D7        /G**  
I think I'ma gonna cry

**C        G    C        G        C        G**  
Bye bye love Bye bye sweet caress Hello emptiness

**/G        D7        /G        /G        D7        /G**  
I feel like I could die Bye bye my love goodbye

**/G        /D7        /G**  
There goes my baby witha someone new

**/G        /D7        /G**  
She sure looks happy, I sure am blue

**G7        /C        /D7**  
She was my baby till he stepped in  
**/D7        /G    G7**

Goodbye to romance that might have been

**Chorus:**

**/G        /D7        /G**  
I'ma through with romance, I'm athrough with love

**/D7        /G**  
I'm through with acountin' the stars above

**G7        /C        /D7**  
And here's the reason that I'm so free  
**/D7        /G    G7**

My lovin' baby is through with me

**/C        /G    /C        /G        /C        /G**  
Bye bye love Bye bye happiness Hello loneliness

**/G        D7        /G**  
I think I'ma gonna cry

**C        G    C        G        C        G**  
Bye bye love Bye bye sweet caress Hello emptiness

**/G        D7        /G        /G        D7        /G**  
I feel like I could die Bye bye my love goodbye

**/G        D7        /G        /G        D7        /G**  
I feel like I could die Bye bye my love goodbye

**/G        D7        /G        /G        D7        /G**  
I feel like I could die Bye bye my love goodbye
